

Edmonton Chamber Music Society Casino Volunteer Information

Please volunteer for the next Edmonton Chamber Music Society casino on **Monday and Tuesday, October 28 and 29, 2019** at **Pure Casino Edmonton** [[7055 Argyll Road Edmonton, AB](#)]. The casino is totally non-smoking.

Why volunteer?

Casino funds are essential to maintain the exceptional quality of the ECMS concert season and Summer Solstice Music Festival. Our exciting 2019/2020 season features outstanding musicians from Canada, the United States and Europe. It is expensive to bring these internationally acclaimed artists to Edmonton while keeping ticket prices reasonable. We therefore ask for your help in volunteering for the casino.

Volunteer positions and shifts

Volunteers are needed for the positions of Bankers, Cashiers, Chip Runners, and Count Room Workers, and for both daytime and evening shifts. No experience is required for any of the positions; training and support will be provided.

We provide a complimentary meal in the casino restaurant for all volunteers. Those working long shifts (longer than 8 hours) will be entitled to 2 complimentary meals per shift. (Meals purchased outside the casino will not be reimbursed.) Snacks are also provided in the volunteer lounge throughout all shifts.

Volunteers who are unable to drive or who prefer not to drive during the late hours may have taxi fare reimbursed if they provide their receipts. Child care expenses may also be reimbursed.

How to volunteer

Fill out an ECMS Casino Volunteer Form, indicating which shifts you are available. Please be as flexible as possible to allow us to assign volunteers to all the shifts.

The forms will also be available on the ECMS website.

Please return completed forms to Jacqueline as indicated on the Casino Volunteer form. Jacqueline will contact you to confirm your shift and to provide further information about the casino.

If you would like more information about volunteering for the Edmonton Chamber Music Society casino, please contact Jacqueline by email at lee.jacqueline.y@gmail.com.
